VENUS Celebrates 6 Years of Streaming Data ^[1]

Submitted by Rory Lattimer Wed, 2012-02-08 00:00

[2]

Six years ago at 4:45 AM, 8 Feb 2006, the first VENUS instrument platform was plugged into the central node and brought online. Congratulations to the people of VENUS on another year of groundbreaking science! A lot has happened between then and now, and many more exciting plans are in the works for further development of the VENUS Observatory.

Looking Back
