## New Website Launched <sup>[1]</sup>

Submitted by Dwight Owens Thu, 2013-09-05 13:16

Our [Oceannetworks.ca](http://Oceannetworks.ca) website has a new look, with the launch of our new brand and streamlined website. The new site includes content from our previous [oceannetworks.ca](http://oceannetworks.ca), [onccee.ca](http://onccee.ca), VENUS and NEPTUNE websites. The former [oceannetworks.ca](http://oceannetworks.ca) and [onccee.ca](http://onccee.ca) websites have now been taken offline, while the VENUS and NEPTUNE sites will remain online for a while longer. Eventually, all sites and data access facilities will be merged under [oceannetworks.ca](http://oceannetworks.ca).

With the launch of this new website, we expect there to be some bugs and inconsistencies, which we're working to resolve. We welcome your feedback on the new site?let us know if you like what you see or if you have difficulties finding what you're looking for.
