Educational Partner
Collaborating Institution

The University of British Columbia (UBC), established in 1908, is one of Canada's leading research universities. The university attracts 54,000 students from across Canada and 140 countries around the world to two major campuses.

The University of British Columbia is one of 12 Canadian institutions comprising the consortium that developed Ocean Networks Canada. UBC faculties and scientists collaborate frequently with Ocean Networks Canada and also provide support for regional workshops and ongoing experiments.
