

University of Victoria (UVic) ^[1]

Funder

Educational Partner

The University of Victoria is a leading Canadian research university, and has a reputation as a centre of innovative and interdisciplinary research. UVic researchers are making major contributions, advancing and applying knowledge for the benefit of society. UVic faculty rank among the top universities in Canada in research funding from national granting councils. The University of Victoria, as host institution for NEPTUNE Canada, has provided extensive in-kind support for the project, including facilities, administrative, legal and communications support, and other services valued at \$1.4 million.
