

VENUS Ferries Systems Attract Media Attention ^[1]

Submitted by Rory Lattimer Fri, 2012-06-15 00:00

On June 4 an article ran in the Vancouver Sun by Larry Pynn chronicling Paul Macoun and the installation of VENUS? first water and atmosphere system on the MV Queen of Alberni. Within hours the piece was re-posted on the Times Colonist?s web site and in the printed TC the next day, with this Adrian Raeside cartoon. The remaining part of the week had Richard Dewey contributing radio pieces for CFX and CKNW, Paul on the radio for CBC, Richard

also doing a piece for CTV. To finish off the week, Ken Denman did CTV and CFX pieces for the World Ocean Days.
