

# Agenda

## BC Coastal Marine Sciences Workshop: A Roadmap to 2020

February 16 & 17, 2015  
Marriott Inner Harbour, Victoria, BC

### Monday, February 16, 2015 – State of the Union

- 8:30 **Coffee** - Register, meet, greet, and settle in
- 8:50 Take your seats
- 9:00 Welcome - Dewey: Introductions, overview, and review workshop objectives
- 9:15 Plenary - BC Coastal Oceanography – Bill Crawford
- 10:15 **Coffee Break**
- 10:30 Plenary - BC Coastal Marine Ecology – Ian Perry
- 11:30 Plenary - Council of Canadian Academies priority questions – Kim Juniper
- 11:50 Questionnaire - ONC New Data Portal Questionnaire – Dwight Owens/Murray Leslie
- 12:00 **Lunch** (provided) – ONC’s Oceans 2.0 Demos  
Presentations – representatives provide brief high-level overviews of programs, plans, and needs for achieving research objectives, identify gaps and regions of present and future focus
- 13:00 UBC – Rich Pawlowicz
- 13:15 MEOPAR - Susan Allen
- 13:30 PSF – Isobel Pearsall, Katrina Connors, and Terry Curran
- 13:45 DFO/IOS – Sophia Johannessen
- 14:00 ONC – Adrian Round – ONC’s Smart Oceans BC – Plans for New Installations
- 14:15 BC Hydrophone Network – Kathy Heise
- 14:30 Hakai – Brian Hunt, Margot Hessian-Lewis, and Wayne Jacob
- 15:00 **Coffee Break** and Data Portal Demos
- 15:30 UVic – Jody Klymak
- 15:45 CORI – Peter Ross
- 16:00 ASL – Jennifer Jackson
- 16:15 Southern Strait of Georgia: 2015 Freshet Observations Plans – Richard Dewey
- 16:30 Discussion and Assessment of Gaps and Priorities, adjustment of Goals and Objectives
- 17:00 Summary - Brief summary of Day-1 and preview agenda for Day-2

## Tuesday, February 17, 2015 – Coastal Seas Marine Research: A Roadmap to 2020

- 8:30 **Coffee**
- 8:45 Reconvene - Summary of Day-1 (Dewey)
- 9:00 Priorities for future research – Coordinated observing programs, which questions from the Council of Canadian Academies report are most relevant to coastal BC? Other drivers/objectives/knowledge gaps/opportunities? Set the domain of the roadmap.
- 9:20 Breakout Groups – Form smaller groups (10-12), with rapporteur and review 3 topics:  
Geography and Processes  
Inter- and Disciplinary Priorities and Required Observations  
End-User/Stakeholder Objectives, Available Resources, and Collaborations
- 9:30 Priorities for future research - Geographic Regions and Processes
- 10:00 **Coffee Break**
- 10:30 Priorities for future research - Inter- and Disciplinary Priorities and Required Observations
- 11:00 Priorities for future research - End-user Objectives, Resources, and Collaborations
- 11:30 Reconvene – Reports from breakout group rapporteurs (Groups 1 & 2)
- 12:00 **Lunch** (provided)
- 13:00 Reconvene – Finish Breakout Group Reports (Groups 3 & 4)
- 13:30 Discussion - Summarize regions and processes of interest, observations, resources.
- 14:00 Discussion - Opportunities: coordination of future joint studies and identifying roles
- 14:30 Discussion - Compile: Charting our course - Drafting a roadmap
- 15:00 Adjourn (and Oceans 2.0 Demonstration)
